# TRAINING/RECEPTION

**basyx**<sup>®</sup>  
by HON

In today's office, training rooms and reception areas play an important role in the workplace. Training rooms help facilitate important educational sessions and the reception area is the first area your customers sees, Therefore it is your best chance to make a great first impression.

## Multipurpose Tables

Multipurpose table with fixed and flip-top options supports flexible meeting space and collaborative work. Use multiple tables side-by-side for training, edge-to-edge for panel discussions or front-to-front for a conference table. Flip-top tables tilts from work mode to nesting position for easy storage.
