Become an Office Products Alliance Rewards customer and start earning points on your purchases!

Guidelines for Rewards:

1. Your account must be within payment terms.
2. You accumulate 1 point for each dollar spent. (minimum \$25 order)
3. The rewards will be redeemed by 1 Buyer for the whole account/organization. (OPA is not responsible for how an organization decides to redeem their points)
4. Points DO NOT expire. Points can be redeemed for Jimmy John's or Starbucks gift cards, \$25 gift card of our choice, or \$10 off OPA online orders.
5. Orders not placed online do not qualify for points.

*Please Note:
Some accounts may not be eligible for the rewards program. Please contact us for further information.

How it works:

Our rewards program is simple. For every order over \$25 that you make online you receive one (1) reward point per dollar spent. You are able to accrue your points and use them however you like. Your points do not expire.

Special orders and furniture pieces that are not ordered online do not qualify for rewards points. Please see your account manager with questions.
